Exit M 40 at Junction 8 = A 40(W) to Oxford/Cheltenham/Burford

Continue on A 40(W) for 25.9 miles then turn right at Burford roundabout to Burford (name of roundabout is written at top of roundabout sign - easy to see).

Go through village of Burford, over bridge, turn left at mini roundabout to Stow A 424.

Continue for 8.9 miles and then turn right at traffic lighted T junction onto A 429 to Stow.

Continue for 1 mile, going through 1 set of traffic lights. At 2nd set of traffic lights turn left onto A 424 to Evesham/Broadway.

Continue for 5.1 miles when you will automatically join the A 44 to Evesham (by Texaco garage).

After 2 miles turn right onto B 4081 to Chipping Campden.

Continue into village and turn right at T junction at end of Sheep Street

Continue along High Street for 0.3 mile. On the right hand side you will see a chemist called Pharmacy. Continue straight ahead for 30 metres and on the left hand side you will see a row of 4 Georgian terraced houses all with identical black doors. We are the last property in the terrace, number 4. As a quirk of Chipping Campden, Northend Terrace doesn't actually have a signpost, and as Maiden's Row is a listed building we are not allowed to attach a name plaque to the property either, so don't look out for either of these signs as they don't exist!
